

# **All God's Children**

-Paul Marino, Jennifer Shaw

All God's children

Join the everlasting

Alleluia

Sing of His salvation

All God's children

Bring your everlasting

Alleluia

Out to every nation

Our mighty God who saved

Us from an orphan's grave

Who died that we might live

Now calls us all by name

Our purpose to proclaim

The hope we have in Him

Feel the Spirit move

With a wind of good news:

To Jesus we belong

And as our praises rise

May they rain from the skies

And flood the earth with His song

Shout it out, shout it out, our God saves, our God saves

Shout it out, shout it out, our God reigns, our God reigns

## **Shine on Us**

- Paul Marino and Jennifer Shaw

Lamb of God  
Who takes away  
The sin of the world  
Have mercy  
Lamb of God  
We need your love  
Come rescue us  
Have mercy  
Out of our darkest night  
Light of the world, open our eyes  
And shine on us.  
Drive all our shadows away  
We want to see Your mercy reign.  
And shine on us.  
God shine on us.  
Lord God, heavenly King, almighty God and Father,  
We worship you, we give you thanks, we praise you for your glory.

**You are Glorious**  
- Johnson, Marino, Shaw

A crown of thorns for a King  
A cross of suffering for a Prince of Peace  
Who would think from such a place  
Would rise an everlasting hope and grace

Chorus:

You are Glorious  
God Victorious  
The nails that held Your hands and feet  
Are the ones that set me free  
You are Glorious  
God Victorious  
Forevermore, You are Glorious

Lamb of God, Majesty,  
Your sacrifice means everything to me.  
Every wound, every scar  
Reminds me how magnificent You are

Bridge:

Your love conquered everything  
Your blood is the life in me (2x's)

**Be Thou My Vision**  
arr. Marino, Shaw

Be Thou my Vision, O Lord of my heart;  
Naught be all else to me, save that Thou art  
Thou my best Thought, by day or by night,  
Waking or sleeping, Thy presence my light.

Be Thou my Wisdom, and Thou my true Word;  
I ever with Thee and Thou with me, Lord;  
Thou my great Father, Thy child shall I be;  
Thou in me dwelling, and I one with Thee.

Bridge:

Where you lead me, I will follow  
Where you call me I will go  
Where you lead me, I will follow  
Let Your will be all I know

High King of Heaven, my victory won,  
May I reach Heaven's joys, O bright Heaven's Sun!  
Heart of my own heart, whatever befall,  
Still be my Vision, O Ruler of all.

## **Your Child**

Paul Marino, Jennifer Shaw

She's up at six am to dress and feed him

She helps him from the wheelchair to the van

And drives the fifty miles to his appointment

The next day she will do it all again.

I asked her how she does it everyday

How do you keep on going with such grace? She said...

When those eyes are looking up at mine

Every trial, every fear in that moment disappears

And you realize that it's all worthwhile

When it's your child

They haven't slept since 2007

Since the doctor placed that baby in their arms

Daddy's working days and nights and on the weekends

And you wonder how it's weighing on his heart

I asked him how he does it everyday

How do you keep on going with such faith? He said...

When those eyes are looking up at mine

Every trial, every fear in that moment disappears

And you realize that it's all worthwhile

When it's your child.

# Life Not Typical

Music & Lyrics by Paul Marino, Jennifer Shaw

Music video directed by Jeffrey Kubach (*Survivor* TV show, *Burn Notice* TV show, Gospel Music Channel Best Pop Video Nominee)

Jesus came to give us life, and give us life much more abundantly  
Than we could ever ask or even imagine  
The love He showed for us that day goes way beyond what words can ever say  
All that He has done is so hard to fathom

Chorus:

This life so incredible  
A love inexplicable  
That brings us face to face with the God of grace  
It's a life that is beautiful  
A love irresistible  
The life we have in Him is a life not typical

Greater love has no one than this, than to lay His life down for His friends  
Even though we know we don't deserve it  
He was willing to leave heaven, come to Earth to save us from our sins  
There is nothing we can do to earn it.

It's a life so incredible  
A love inexplicable  
That brings us face to face with the God of grace  
It's a life that is beautiful  
A love irresistible  
The life we have in Him is a life not typical

Bridge

There's nothing we can do, there's nothing we can say, that could  
separate us from His love  
No matter where we run, no matter where we go, we can always know His  
love will find us.

## **Come Thou Fount**

Come thou fount of every blessing  
Tune my heart to sing thy grace  
Streams of mercy never ceasing  
Call for songs of loudest praise  
Teach me some melodious sonnet  
Sung by flaming tongues above  
I'll praise the mount I'm fixed upon it  
Mount of thy redeeming love

Here I raise my Ebenezer  
Hither by thy help I come  
And I hope by thy good pleasure  
Safely to arrive at home  
Jesus sought me when a stranger  
Wondering from the fold of God  
He, to rescue me from danger  
Interposed His precious blood

O to grace how great a debtor daily I'm constrained to be!  
Let thy goodness like a fetter, bind my wandering heart to thee  
Prone to wander Lord I feel it, prone to leave the God I love  
Here's my heart, O take and seal it, seal it for thy courts above

## **To Be Love**

Marino, Shaw

*(Song to be used in Remember Nhu video and as theme song. Remember Nhu exists to prevent the exploitation of children in the sex trade industry throughout the world. [www.RememberNhu.org](http://www.RememberNhu.org))*

Lord give me eyes to see  
A world unreal to me  
Where children are not free, enslaved, abused, deprived  
Help me to see their tears  
Help me to feel their fears  
Give me a heart that longs to try

To act justly  
To show mercy  
To walk humbly with You, God  
To be broken  
For the broken  
To be willing  
To be love

Make me a voice of peace  
That reaches to the least  
And gives the hope they need, Lord, this is my desire

To act justly  
To show mercy  
To walk humbly with You, God  
To be broken  
For the broken  
To be willing  
To be love

# Someday

-Paul Marino, Jennifer Shaw

I can face any trial with hope  
I can walk any long and lonely road  
I can fight any fear that comes my way  
For I know someday

Chorus:

Every tear, every scar, every wound that held my heart  
Will fade away as the night is overshadowed by His light  
As His glory fills this place  
And I see Him face to face

I can love even when it causes pain  
I can trust when the storms begin to rage  
I can keep what this world can't take away  
For I know someday

Every tear, every scar, every wound that held my heart  
Will fade away as the night is overshadowed by His light  
As His glory fills this place  
And I see Him face to face

Bridge:

And on the day my Savior calls me home  
I will stand and worship at His throne  
In the splendor of His majesty,  
I'll be changed, I'll be whole

Every tear, every scar, every wound that held my heart  
Will fade away as the night is overshadowed by His light  
As His glory fills this place  
And I see Him face to face

**Until the Day of Christ**  
Jennifer Shaw & Paul Marino

You are everything  
And You are all we need  
The One who we believe will hold our future  
You're the good in us  
The strength that lifts us up  
The Truth that we can trust, our mighty Tower  
We will give You praise  
Glorify and bless your name  
We will testify  
With our lives  
Until the Day of Christ  
We will set our eyes on You  
Our only prize, our God  
The Lord of Life, our sweet Salvation  
Who upon the Cross released  
To all of us Your power, hope and love, and restoration  
We will serve you Only  
Lord, Most Holy  
We will live to honor  
You, Our God (2xs)
